

### vitalitysuperb

Vitality Superb is the most durable Vitality floor ever: a solid 12 mm thick MDF board combined with a highly wear resistant top layer. Vitality Superb can be installed in residential and commercial areas. With the FitXpress® click system, this floors lays down in no time.

### vitalitylungo

The long and broad planks in the Vitality Lungo range create a sense of extra space. The mat, brushed structure and four-sided micro V-groove provide a pleasant atmosphere as well as added value to your interior.

### vitalitystyle

When you're looking for top class, you'll feel perfectly happy with all the qualities of Vitality Style. This collection has very realistic surface structures and a subtle 4-sided bevel. With the Uniclic click system, installation is easier than ever. Want to spill liquids without worries? Vitality Style Aqua Protect is 100% water-resistant.

### vitalitydiplomatdeluxe 4V

Vitality Diplomat Deluxe 4V is suitable for residential as well as light commercial purposes. The soft touch mat, brushed or genuine wood structure and with or without the 4-sided V-groove give this durable laminate a natural look and feel.

### vitalityjumbo

Looking for a wide, affordable and easy to install laminate flooring? Then Vitality Jumbo is your choice! The wide plank size with four-sided micro V-groove opens up your room. With a choice of 10 decors, you will certainly find the floor that fits your taste. Vitality Jumbo gives you that little extra you were looking for.

### vitalityoriginal

Vitality Original is sustainable and provides a cosy and pleasant feel thanks to its brushed or wood grain structure and seamless joints. The natural ambience is ideal for any living room or bedroom.
